

July 23, 1958

The Chairman of The Senate Foreign Relations Committee,
U.S. Senate,
Washington, D.C.

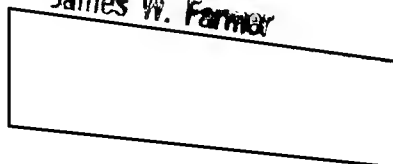

Sir:

"SENATORS TO QUIZ CIA ON LACK OF 'EVOLT TIP', so reads the totally irresponsible Washington Post on page A 8 today. Just who is as stupid as everyone claims to be? Every institution in this cursed land is discredited when "INTELLIGENCE DIGEST" a strictly commercial effort, edited by Kenneth de Courcy of London, England & no doubt you see this letter, which has been screaming the coming war for weeks now. It is alright to have a whipping boy as all self righteous must. But as a citizen I protest hitting CIA blindly when the quotes in the stinko "DIGEST" show that the men of your committee dont know the score, dont want to know the score, anyone could tell that The USSR's Diplomatic Force are out to enlarge their own empire at all costs before the tolerance of COMMUNISTS WITHIN THE U.S. GOVT., IS ENDED WHETHER THE EXECUTIVE & THE JUDICIARY LIKE IT OR NOT. For this blind tolerance of communists will bring CIVIL WAR that will level everything here & every one of your committee knows this full well. Total inflation as we have been subjected to is a weapon of war, unsurpassed in all history for efficacy, the indentity of these super criminals are still in Govt., it is known for your information as "THE INVISIBLE GOVERNMENT". They laugh at the U.S. Senate openly as "AS THE TRAGEDY OF THE CENTURY, WHAT WITH 21,000 EXECUTIVE LAWS ON THE BOOKS, THEY WILL BE SENT HOME TO STAY IN THE NOT TOO DISTANT FUTURE".

Yours very truly,

James W. Farmer
